

# Acknowledgements

We wish to express our sincere appreciations to many individuals and institutions for their generously sharing the cost of and contributing high quality manuscripts to IJABE. We are grateful that we join hands together in promoting the development and prosperity of the journal and research in agricultural and biological engineering. Our special thanks are extended to the following universities and research institutes:

Anhui Agricultural University  
China Agricultural University  
East China Jiaotong University  
Fujian Agriculture and Forestry University  
Heilongjiang Bayi Agricultural University  
Henan University of Science and Technology  
Henan Agricultural University  
Huazhong Agricultural University  
Hunan Agricultural University  
Jiamusi University  
Jiangsu University  
Inner Mongolia Agricultural University  
Nanjing Agricultural University  
Northwest A&F University  
Northeast Agricultural University  
Northeast Forestry University  
Beijing Research Center for Agricultural Standards and Testing  
Citrus Research Institute of Chinese Academy of Agricultural Sciences  
National Research Center of Intelligent Equipment for Agriculture  
**National Engineering Research Center for Information Technology in Agriculture**  
**State Key Laboratory of Soil Erosion and Dryland Farming on the Loess Plateau**  
**Key Laboratory of Advanced Food Manufacturing Equipment and Technology**  
(Jiangnan University)  
Zhejiang Academy of Agricultural Sciences  
Qingdao Agricultural University  
Shandong University of Technology  
Shanxi Agricultural University  
Shenyang Agricultural University  
Shihezi University  
South China Agricultural University  
Southwest University  
Tongji University  
Xi'an University of Technology  
Yunnan Agricultural University  
Yunnan Normal University  
Zhejiang Sci-Tech University  
Zhejiang University  
Zhejiang University of Technology
